## CHOOSING FSANA

The Flight School Association of North America (FSANA) is an international trade association that represents the interests of flight training providers.

Our members are motivated and successful business operators who provide flight training in the United States and foreign countries.

Part of FSANA's mission is providing a motivational platform for anyone interested in the exciting world of flight and aerospace.

FSANA relies on membership and supporting partner revenues in order to operate and carry out its mission. Your organization is encouraged to support FSANA in its achievements by becoming an annual partner. FSANA Partners receive year-round brand exposure in both print and electronic platforms in multiple channels along with a host of other benefits.

## WHY WE MATTER

The Flight School Association of North America (FSANA) invites you to support the association and its mission to:

- Support, promote and advocate for the business of flight training;
- Provide knowledge, programs and services that help its members thrive and better serve their customers and communities;
- Foster best business practices;
- Educate and inspire youth;
- Increase the global pilot population;
- Improve general aviation safety; and
- Work in alliance with the aviation and aerospace industry.

Our sight is on increasing the pilot population by engaging passion-driven people at an early age. FSANA believes that the future of aviation and aerospace is with our young citizens and is dedicated to bringing unique youth-oriented programs to your community in cooperation with local flight schools and member organizations. FSANA knows future pilots come in all ages so we have also created avenues like our AeroSolo program to connect with everyone.

## OUR PRIDE AND JOY

### SIGNATURE AERO PROGRAMS FOR EVERYONE

**AeroCamp** is a day camp program for ages 12-18 run by FSANA-member schools during summer and off-season months. Campers are introduced to the dynamics of flight and aircraft and careers in aviation. At no point are campers required to fly.

**A learning adventure for young people**

**AeroChapters** gives a large youth population ages 13-18 the chance to explore the diverse aviation and aerospace industry in organized social chapters. Each local chapter is hosted by a FSANA member.

**A learning community for young aviation enthusiasts coast to coast**

**AeroSolo** targets all ages, guiding non-pilots from their first flight lesson to the solo phase of flight training. The program includes motivating marketing tools to help flight schools appeal to a broad demographic.

**A learning experience for all ages**

**FSANA Youth** is a nationwide community of young people with a passion for aviation and aerospace who have joined the FSANA revolution. Anyone age 7-21 can belong. Why do young people join? One, they have a passion for aviation. Two, membership is an insider's edge to the flying experience and the business of aviation and aerospace.

**Changing the face of aviation**

## PARTNER BRANDING

### ...THROUGH FSANA OUTREACH

FSANA is committed to creating value for both our members and our supporting partners. Partner brands can be seen across an array of promotional media.

FSANA programs offer partners the following opportunities:

- Increased levels of general aviation awareness
- Non aviation-oriented people are targeted
- Brand exposure outside standard aviation channels
- Opportunities to partner with non-aerospace businesses
- Brand exposure via print and electronic formats

### ...THROUGH MEDIA COMMUNICATIONS

Supporting Partners receive year-round brand exposure in both direct print and electronic communications through both aviation and non-aviation channels.

- Annual international conference and trade show marketing and on-site exposure
- Flight Training News monthly e-newsletter
- FSANA website
- Various consumer-focused publications and outlets

## “LEARN TO FLY MONTH” ANNUAL PUBLIC INITIATIVE

FSANA Partners help support **Learn to Fly Month**, an annual campaign promoting aviation events at flight schools during the entire month of May. FSANA expects this exciting initiative to reach international proportions as more and more flight schools jump on board. As it takes hold, we see public response creating a “Black Friday” effect on the entire flight training industry.

Mario Andretti, world-renowned racing legend (pictured), has been active as Learn to Fly Month Honorary Chair since its launch in May 2017.

- This annual initiative offers FSANA Partners additional brand exposure possibilities on a national and global scale.
- The largest national/international campaign FSANA has ever launched
- Aimed at the general public and all ages
- FSANA Builder Partners and above are given logo recognition in select national promotions
- Momentum built annually

## Media Partners

From one year to the next, FSANA relies on the generosity of our Media Partners for complimentary ad space to announce our events and programs. We are pleased to extend the SAME set of benefits to Media Partners as we do to cash contributors.

<b>VISIONARY</b>	<b>DEVELOPER</b>	<b>BUILDER</b>	<b>LEADER</b>
\$100,000	\$50,000	\$25,000	\$15,000

The above dollar amounts are based on the open-rate value of the annual media contribution. See the chart on the previous page for benefits at each level. Split media/cash contributions will be addressed on an individual basis.

## *Beyond Visionary*

Beyond our Visionary partner level, we offer a number of TITLESHIP opportunities that give each TITLE PARTNER exclusive branding rights to one of FSANA's signature programs.

# FSANA Partners Program

## TITLE PARTNER

### EXCLUSIVE RIGHTS

Our Title Partner program offers a select few businesses the opportunity to become the exclusive official sponsor of one of FSANA's signature programs. This is a golden opportunity for non-aviation organizations to identify with the exciting aviation and aerospace industry.

The above signature programs are available for Title Partner consideration. Your involvement will allow us to take these programs to new levels. Parties enter a 1 to 3-year renewable commitment.

Their prime status gives Title Partners all the branding opportunities and benefits of other FSANA Partners plus:

- 1 to 3-year title alignment with one FSANA aero program
- Expanded youth demographics through focused programming
- Increase in annual and conference benefits
